Greetings to our newest members of Land of Lincoln Credit Union (LLCU). First and foremost, I want to thank you for making the decision to transition to LLCU and I want to begin our relationship with a promise. With the start of this adventure, we promise to work hard to bring the highest level of quality service to you, our member. This will come about through committing to continual improvements in products and services, through listening to your feedback and concerns and following through with measurable action. This is a promise made to all of our members. We delivered on this promise often in the last year in several ways such as, upgrades to our website, enhancements to our Online Banking platform, expanding digital transaction offerings, and the addition of two new branches in central Illinois.

I also want to take the opportunity to illustrate the type of credit union you are joining. At the close of 2022, LLCU had donated more than $200,000 to numerous non-profit community organizations throughout our 28-county service area. In addition, the staff at LLCU volunteered over 2,400 hours of volunteer service throughout central Illinois. Between our monetary donations and volunteer hours, over 140 different local non-profit organizations were positively impacted. Additionally, in line with the LLCU Mission of providing members with education and tools to achieve financial success, our staff provided 1,800 hours of financial literacy materials to our communities. We believe this type of community outreach is imperative to LLCU being a strong community partner. We look forward to bringing this same commitment to Colchester and the greater McDonough County area.

In summary, we welcome you again, to LLCU. We know there are many options available and the fact that you chose LLCU, will never be something we take for granted.

Sincerely,

Robert Ares
LLCU President & CEO
GENERAL INFORMATION

What is the difference between a bank and a credit union?

We understand this might be your first experience using a credit union for financial services. The good news is, banks and credit unions offer the same products and services, so this transition should be fairly simple. The key difference between banks & credit unions is that credit unions are non-profit organizations owned by the members (shareholders). This means any profit made is returned to members through higher dividends, competitive loan rates, & enhanced technology.

Another key difference is how our members’ monies are insured. Credit Unions are federally insured by the NCUA (National Credit Union Administration), which is a federal government agency. The NCUA is the credit union equivalent to the FDIC for banks. At LLCU, we also provide additional deposit insurance through ESI (Excess Share Insurance).

Who is LLCU?

Land of Lincoln Credit Union (LLCU) was founded in 1947. As a full-service financial institution, LLCU serves over 35,000 members. Membership in LLCU is open to anyone who lives or works in 28 Illinois counties and to their immediate family members. LLCU offers 13 convenient locations in 10 cities.

Additionally, LLCU is a part of the Co-op Shared Branching Network which allows members access to over 5,000 branches & 30,000 ATM locations nationwide for surcharge-free transactions.
Is Land of Lincoln Credit Union locally owned?
Yes, LLCU is locally owned with its headquarters in Decatur, Illinois. Lending decisions are made in each branch by local employees, quickly and efficiently. We regularly seek feedback and improvement recommendations from our members. LLCU employees are your friends & neighbors.

Does LLCU invest in the local community?
YES! Giving back to the communities we serve is the foundation of our core values at LLCU. We are committed to investing in local initiatives through monetary donations & sponsorships. We are equally committed to encouraging LLCU staff to volunteer in the community. At LLCU, we offer staff 14 hours of paid time off each year, specifically for volunteering in the community. For a full snapshot of our community impact and involvement, please see 2022 Community Impact Report on page 23.

When will CSB become LLCU?
The “official” date of change to LLCU is expected to be July 21, 2023. The branch will operate as CSB until it closes on July 21, 2023 at 5:30p.m. The branch will reopen on July 24, 2023 at 8:00a.m. as LLCU.

Common Credit Union Terminology
Initially, you may feel confused by some terminology used at credit unions for bank-equivalent products & services. Here are just few examples of common credit union terminology:

**Share Account**: This is a Savings Account. As a credit union member, you are part-owner, so by having a “share account,” that is your “share” of the credit union.

**Share Certificate**: This is a Certificate of Deposit. Again, owning a share certificate (or CD) is your “share” as a part-owner.

**Draft**: This is a check—a written order by which one party instructs another party to pay a sum to a third party.

**Share Draft Account**: This is a Checking Account. The same part-ownership reasoning applies. “Draft” refers to your check.
FREQUENTLY ASKED QUESTIONS

Will I be able to bank at other LLCU locations?

Initially, you will continue to bank only at the Colchester branch. However, after the final systems integration, which will take place in October 2024, you will be able to transact business at any LLCU branch. You can view a full list of LLCU branches on pages 24 & 25.

Additionally, after the systems integration, since LLCU is a part of the Co-op Shared Branching Network, you will have access to over 5,000 credit unions and 30,000 ATMs nationwide, at no charge. Look for the Co-op Network logo.

Will my branch still have the same staff?

Yes. When you visit the Colchester branch of LLCU, you will still see the same familiar faces you’ve always seen. You will continue to receive the quality care to which you’ve grown accustomed.

Will the hours at my branch remain the same?

Initially, there will be no changes to the current business hours at the Colchester branch. In the future, LLCU may expand branch hours if warranted. If hours change in the future, we will communicate those with all of our members well in advance of the change.

Will my account number(s) or routing number change?

No. Neither your current routing number, nor your account number(s), will change when Colchester State Bank becomes Land of Lincoln Credit Union in July 2023. Your routing number, and possibly your account number(s), may change after the systems integration takes place in October 2024. This information will be communicated with you as that date approaches.
DEPOSIT ACCOUNTS

Will my deposit account(s) at LLCU be covered by insurance?

Yes. Deposits at LLCU are insured by the National Credit Union Share Insurance Fund (NCUSIF), an arm of NCUA. Share accounts in federally insured credit unions are insured to $250,000 per current federal guidelines. LLCU also provides excess coverage from the Excess Share Insurance Corporation (ESI). Member deposits in LLCU receive an additional $250,000 in deposit coverage on top of the federal government’s $250,000 and are protected to a total of $500,000.

Does LLCU checking come with added benefits?

LLCU checking accounts come with many features & benefits such as no monthly service fees, no minimum balance requirement, direct deposit, online banking, BillPay, ATM/Debit cards, monthly statements, unlimited check writing privileges, and optional overdraft protection.

Will I still be able to use my current supply of checks?

Yes, you will continue to use your current supply of CSB checks.

Once we undergo our systems integration in October 2024, you will then need new checks, which will be provided by LLCU at that time.

Will I need a new ATM/Debit Card?

No. You should continue to use your existing CSB debit card. You will be issued a new LLCU ATM/Debit card when your current one expires.

Will my pre-authorized direct deposits and automatic bill pays transfer over to my new LLCU checking account?

You will continue to use your current CSB routing number and checking account number, so there will be no changes required for direct deposits or ACH payments when CSB becomes LLCU.

Will I have the ability to complete transfers to/from my accounts to another institution?

Yes. Your transfer functionality will remain the same at the time of the transition to LLCU because you will continue to use your existing online banking.
